solutions.**

EarthLab is currently recruiting for our third cohort of summer program interns! The 9-week EarthLab Summer Internship Program for UW undergraduate students offers a paid stipend and an opportunity to develop professional skills at the intersection of climate change and social justice.

Internship projects will focus on professional development in interdisciplinary and community-engaged work and will provide a weekly cohort model of support, mentorship and connection with other students in the program, culminating in a final presentation.

Undergraduates at all UW schools & colleges across the tri-campus are eligible

Applications are due by 5 p.m. PT on March 1, 2024 with selection notice by mid-April

Virtual info sessions will be held on:

- Jan. 31, 11 am - 12 pm
- Feb. 14, 1 pm - 2 pm
- Feb. 27, 11 am - 12 pm
